HYMN TO THE PERFECTION OF WISDOM

Homage to the Perfection of Wisdom, the lovely, the holy. The
Perfection of Wisdom gives light. Unstained, the entire world
cannot stain her. She is a source of light and from everyone in
the triple world she removes darkness. Most excellent are her
works. She brings light so that all fear and distress may be
forsaken, and disperses the gloom and darkness of delusion.
She herself is an organ of vision. She has a clear knowledge of
the own-being of all dharmas, for she does not stray away from
it. The Perfection of Wisdom of the buddhas sets in motion the
wheel of dharma.

SONG OF THE JEWEL MIRROR SAMADHI

doshi does three more prostrations

The teaching of thusness has been intimately communicated by buddhas and ancestors. Now you have it, so keep it well.

Filling a silver bowl with snow, hiding a heron in the moonlight - taken as similar they're not the same; when you mix them, you know where they are.

doshi completes prostrations, bell with final standing bow
The meaning is not in the words, yet it responds to the inquiring impulse. Move and you are trapped; miss and you fall into doubt and vacillation. Turning away and touching are both wrong, for it is like a massive fire. Just to depict it in literary form is to stain it with defilement. It is bright just at midnight, it doesn't appear at dawn. It acts as a guide for beings, its use removes all pains. Although it is not fabricated, it is not without speech.

It is like facing a jewel mirror; form and image behold each other – you are not it, in truth it is you. Like a babe in the world, in five aspects complete; it does not go or come, nor rise nor stand.

"Baba wawa" – is there anything said or not?

Ultimately it does not apprehend anything because its speech is not yet correct.

It is like the six lines of the illumination hexagram: relative and ultimate interact - piled up, they make three, the complete transformation makes five.

It is like the taste of the five-flavored herb, like a diamond thunderbolt.

Subtly included within the true, inquiry and response come up together. Communing with the source, travel the pathways, embrace the territory and treasure the road. Respecting this is fortunate; do not neglect it.

Naturally real yet inconceivable, it is not within the province of delusion or enlightenment.

With causal conditions, time and season, quiescently it shines bright. In its fineness it fits into spacelessness, in its greatness it is utterly beyond location. A hairsbreadth's deviation will fail to

accord with the proper attunement.

Now there are sudden and gradual in which teachings and approaches arise. Once basic approaches are distinguished, then there are guiding rules.

But even though the basis is reached and the approach comprehended, true eternity still flows. Outwardly still while inwardly moving, like a tethered colt, a trapped rat -the ancient sages pitied them and bestowed upon them the teaching.

According to their delusions, they called black as white; when erroneous imaginations cease, the acquiescent mind realizes itself.

If you want to conform to the ancient way, please observe the sages of former times. When about to fulfill the way of Buddhahood, one gazed at a tree for ten eons, ^{with dashi bow at maxt} Like a battle-scarred tiger, like a horse with shanks gone gray. Because there is the common, there are jewel pedestals, fine clothing; Because there is the startlingly different, there are house cat and cow.

^{with doshi bow at altar after incense} Yi with his archer's skill could hit a target at a hundred paces. But when arrow-points meet head on, what has this to do with the power of skill?

When the wooden man begins to sing, the stone woman gets up dancing; it's not within reach of feeling or discrimination – how could it admit of consideration in thought?

Ministers serve their lords, children obey their parents; Not obeying is not filial and not serving is no help. Practice secretly, working within, like a fool, like an idiot. Just to continue in this way is called the host within the host. ☐

We honor the boundless virtue of Buddhas and Bodhisattvas - may their compassion embrace us and penetrate deeply to all beings of the triple world and the six realms.

May this compassion extend to all members and supporters of this sangha; may it extend to our families and to our communities.

Read names at Red Cedar Dharma Hall only (skip at Samish):

May we especially hold in our hearts the well-being of:
[names of ill people] and all those who suffer from illness, oppression, and difficulty,

And may our remembrance and dedication to practice ease the passing of: [names of deceased people] and all those who have died from war, violence, disease, and natural disasters.

Having chanted the Song of the Jewel Mirror Samadhi, we dedicate this merit to the great teachers who have transmitted the lamp through space and time.

Mindful of this, let us honor their true being
